

ALBERTO PEDROSA

Alberto Pedrosa is a much travelled, multi-talented professional who brings his commitment to excellence to his career in financial services.

Born in Tampico, Mexico, Alberto received his undergraduate degree in biochemistry engineering from the Monterey Institute of Technology. He then obtained his master's degree in food science from Cornell University. While working toward his PhD. in the field, he met — and soon married — Carmen Ana Torres. Then in 1987, Alberto and his young family moved to Puerto Rico, where he joined his father-in-law's financial services company as a financial advisor.

Starting with life insurance, Alberto quickly added property and casualty products and health insurance to his list of services. He then obtained his securities license so that he could make variable products and mutual funds available to his clients. "I enjoy helping clients meet their financial goals," explains Alberto.

In the same way he has tackled other opportunities in life, Alberto pursued his new career with vigor, earning his Life Underwriter Training Council Fellow (LUTCF) and his Financial Services Specialist designations from the American College. He has also been named to the Million Dollar Round Table on several occasions.

Alberto and Carmen have three sons.

Alberto is registered to offer securities through Royal Alliances Associates, Inc.
