Littleton, CO -- MARCH 12, 2010 -- DMG Financial LLC, a full-service financial planning organization with offices throughout the country, is pleased to announce that three of its principals have earned prestigious memberships in the **Million Dollar Round Table (MDRT)**, an internationally renowned organization of top life insurance producers that bases membership not only on high levels of sales but also on exemplary professional conduct. DMG Financial honorees are: **Erik Garcia**, who has qualified for MDRT; **Chris Proctor**, who earned MDRT's *Court of the Table* designation with three times the MDRT sales requirement; and **Hal Schwartz**, who qualified for MDRT's *Top of the Table*, the organization's highest designation, earned by achieving six times the basic MDRT qualification.

"Achievement at these levels isn't just about the volume of business we do," explains DMG Financial Founder Hal Schwartz, "it is also a testament to the quality of our business practices and our commitment to understanding and responding to our clients' needs."

The Million Dollar Round Table (MDRT) is an international, independent association of more than 31,500 members, or less than 1 percent, of the world's life insurance and financial services professionals from 464 companies in more than 80 nations and territories. MDRT membership is recognized internationally as the standard of sales excellence in the life insurance and financial services business.
